

STAFF INDUCTION

Professional Standards

We are committed to maintaining a professional working environment and have standards that should be followed.

Please read our Staff Code of Conduct here:

Teaching staff should read the minimum requirements for teachers' practice and conduct on the government website:

Our Dress Code

We don't have a formal dress code at The Priory School. We expect students to wear our school uniform and therefore ask that you dress as you would for an interview.

Enrichment Expectations

Enrichment is fundamental to providing the very best education to our vulnerable children. Therefore, we value ideas and contributions from everyone in school whatever role you play for trips, events, visitors, careers and parental engagement.

In addition to local visits, students have the opportunity to go to France in year 8 and Holland in Year 9. These trips take place during our whole school enrichment week in June. All students have the opportunity to take part in a range of enriching activities.

Other trips abroad include annual visits to New York and Berlin, while the ski trip takes place every two years.
