

STAFF INDUCTION

Training

We require all staff to complete some statutory training as part of their induction.

Safeguarding – full training is delivered internally from a bank of specially trained DSL's.

Prevent Duty Training - HM Gov Training <https://www.gov.uk/guidance/prevent-duty-training>

Cyber Security – National Cyber Security Centre [Cyber security training for school staff - NCSC.GOV.UK](https://www.ncsc.gov.uk/cyber-security-training-for-school-staff)

National College Training

We use the National College training portal for a variety of online training courses. These are video modules and can be completed with breaks in between and require a short quiz at the end. Your certificates are saved on the portal for school to access directly.

You can create a login here:
